As commanding officer of Central Area, Mike Oreb exhibited the generous spirit of engagement we come to rely on as a community with our local law enforcement. He was committed to public outreach, last minute neighborhood walks or meetings, and exemplified the overall quality of character we consider among the best of the LAPD. His attitude defines "community policing" and he will be greatly missed.

Hope this works. Let me know if you think we should edit or add.

Regards,

Blair Besten
